**INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR § 1.97**

In compliance with 37 CFR § 1.56, the references A - AAAA listed below and on the attached Information Disclosure Citation are being brought to the Examiner's attention for consideration in connection with the examination of the above-identified patent application. Copies of the cited documents are enclosed.

References A - C were cited in connection with the prosecution of International application Serial No. PCT/US97/18145, filed in the USPTO as international receiving office on October 08, 1997. References D - AAAA were cited in connection with the prosecution of the parent application, Serial No. 08/947,057 filed 10/08/1997. No new references are cited, and therefore no copies of references are enclosed at this time.

Applicant and his attorney submit that the references cited herein taken alone or in combination neither anticipate nor render obvious the present invention. The listed references relate to the general field of the disclosure and these citations do not constitute an admission that the references are relevant or material to the claims; they are cited only as constituting the closest art of which the Applicant is aware.
